

Sip Around Saskatoon & Area

August 8 & 9, 2026

With its abundant natural resources, including pristine water sources and locally grown grains, Saskatchewan provides the perfect backdrop for high-quality beer and spirits production. You can find a diverse array of breweries and distilleries scattered across the province, each offering its own distinct taste of Saskatchewan's rich brewing and distilling heritage. From innovative craft beers to artisanal spirits, Saskatchewan's craft beverage scene has something to delight every palate.
